

Department of Biomedical Sciences  
Institute of Physiology, Pathophysiology and Biophysics  
Unit of Physiology and Biophysics  
Veterinärplatz 1, 1210 Vienna

Vienna, February 16<sup>th</sup>, 2023

## Invitation to the guest lecture

# "Redox signaling, redox metabolic shuttles and changes of mitochondrial cristae upon insulin secretion"

**Prof. Dr. Petr Ježek**

Czech Academy of Sciences, Prague

**Friday, March 3<sup>rd</sup>, 2023**

**15:00 s.t.**

Seminar room of the Institute of Pathophysiology, Physiology and Biophysics  
(HA05 P51)

We appreciate your interest in this lecture and would be glad to see you there!
