

# FEMtech Fermentation internship

**Entity:** SAN Group

**Location:** Austria, Herzogenburg

**Employment Type:** part-time

**Career Level:** Intern

**SAN**  
GROUP

**SAN Group** is a globally operating biotechnology company headquartered in Austria with employees on four continents. We are represented by subsidiaries and distribution partners in Europe, North and Latin America, the Middle East, Asia, and Australia. The business of SAN Group focuses on animal health (SAN Vet) and plant health (SAN Agrow). Other business fields are food- & feed diagnostics (LM-TECH), real estate development, green energies, and viniculture. Our vision? Quite simple: finding scientifically sound solutions for a better tomorrow with our passion for innovation. SAN Group is 100% privately owned.

## These are the tasks we trust in you:

- Collaborate in the development of fermentation processes for the production of plant protection products
- Support our R+D team in designing and conducting experiments
- Independently carry out lab and pilot experiments or with support, when needed
- Bring in your own ideas for improving processes
- Document experimental results and write reports

## To grow in this position, it requires the following:

- You study at an Austrian university (microbiology, biotechnology or a related field), at least one semester already completed
- Experience on working with microbes is a plus
- Very good knowledge of spoken and written English
- Self-motivated, with a 'can-do' attitude

## We have a SANTastic culture, means for you:

- First name terms from trainee to owner
- No neckties and open doors
- Small teams to root-in and grow
- High degrees of freedom to create in a positive team atmosphere
- Flexible work hours
- Benefits such as team events, state-of-the-art work environment and IT infrastructure, free parking, sports hall & fitness center, internal and external development programs

## What else to know?

- The internship will be supported by the FEMTech program, **specifically targeting female students**
- You are located in **3130 Herzogenburg**, near St. Pölten (Austria)
- We appreciate your expertise for **30 hours/week**, part-time, temporary contract
- The internship will **start in May or June 2024**, duration **4-6 months**, depending on your availability
- Based on your experience and your qualification, we offer you a compensation package from € 1 537 gross monthly base salary

Are you ready to grow at **SAN Group**? We are looking forward to your application [here](#).
