Master's Programme Comparative Biomedicine – Infection Biomedicine and Tumour Signalling Pathways

Dear applicant,

according to § 8 of the University Directive on the restrictions on admission to the Master's Programme Comparative Biomedicine – Infection Biomedicine and Tumour Signalling Pathways and on the admissions procedure in the academic year 2023/2024 the results of the admissions process are announced. On the next pages, you will find the final ranking list.

All applicants, who are assigned for a university place, will receive an email including the next steps necessary for admission.

Please be aware, that if a university place assigned to an applicant is not taken up by implementing the next formal steps in the admissions procedure within a period of ten calendar days after being requested to do so (starting on **August 21st, 2023**, at the earliest), the claim to the assigned university place will expire.

Please note, if you can't find your number, try the searching function of your browser (mostly STRG + F).

Best wishes,
The Admissions Staff
