The Position

The tenure-track position includes the option of negotiating a qualification agreement (QV in accordance with Section 27 of the Collective Bargaining Agreement for University Staff). The initial contract will be as a postdoctoral assistant with QV option. When the QV is signed, the position will be reclassified as an assistant professorship. When the provisions of the qualification agreement are met, the job holder will be promoted to tenured associate professor.

Minimum salary

The minimum salary for university staff is regulated by the Collective Bargaining Agreement for University Staff and at the B1 level amounts to EUR 4,752.30 gross (contract with the option of negotiating a qualification agreement). Upon signing the qualification agreement, the salary increases to EUR 5,595.60 gross and when the provisions of the qualification agreement are

met it is further increased to EUR 6,055.70 gross. The salaries are stated per month, paid fourteen times per year.

Applications

Please submit your application in English, noting the reference number **2024/0082**, by e-mail to bewerbungen@vetmeduni.ac.at to the Personnel Department of the University of Veterinary Medicine Vienna. Please do not forget to include the reference number or we will be unable to relate your application to the correct vacancy announcement.

Application documents in English language must include

1. Letter of application with a brief description of
 - Current research interests and research plans for the immediate future
 - Previous and planned areas of focus in academic teaching and supervision of young researchers
2. Curriculum vitae including
 - List of publications
 - Information about “esteem factors” (e.g. functions in research societies or programme committees)
 - List of lectures given including information about invited lectures at international conferences
 - Information about projects funded by third parties, acquired either independently or in collaboration, stating topic, duration, origin, volume, own role in acquisition, as well as any inventions/patents
 - List of academic teaching and supervised theses
 - Information about experience in organization, management, leadership
 - Concept for research, teaching and (non-)clinical services
 - Contribution to the academic profile of the Department or Vetmeduni
3. Further documents to prove the required education, qualifications and experience described as necessary in the vacancy announcement
4. Names and contact information of three references

The Vetmeduni aims to increase the proportion of women among scientific and general university staff, especially in management positions, and therefore explicitly invites qualified women to apply. In the case of underrepresentation of women, female applicants who are equally suitable as the best-suited male competitor will be given priority, unless reasons relating to the person of a competitor prevail.

There is no fee required for submitting an application. Applicants have no entitlement to reimbursement of any travel or accommodation expenses they may incur as a result of the application procedure.

As a proud holder of the “hochschuleundfamilie” (“University and Family”) certificate, Vetmeduni welcomes applications from candidates with family responsibilities. We also

encourage people with disabilities or chronic conditions to apply. If you have any questions, please contact our representative for the disabled, Mr. Franz Mitterbauer (franz.mitterbauer@vetmeduni.ac.at).

Translations into other languages are solely for information purposes. The version advertised in the University Bulletin (Mitteilungsblatt) is the only one that is legally binding.
