

OFFER FOR EXHIBITORS AND SPONSORS

The 3rd International Workshop on the Assessment of Animal Welfare at Farm and Group Level (WAFL-05) will take place on September 22nd-24th, 2005 at the University of Veterinary Medicine Vienna. We expect 150 participants (scientists in behaviour, husbandry and protection of farm animals and laboratory animals from all over the world, delegates from the administration of agriculture and consumer protection, students).

Companies and organisations (especially from the fields of observation techniques, animal husbandry, animal health, label food production and animal protection) are invited to exhibit their products and ideas. The area for sponsoring companies is situated just downstairs the lecture rooms and is also used for coffee breaks.

There are 2 categories of sponsors:

- Major sponsors
- Minor Sponsors
